

Trentham Gardens

Thursday 16th May

Enjoy a day visiting the fabulous Trentham Gardens, with lots to do whether you take a stroll around the famous Italian gardens, Capability Browns Trentham Lake or the new meadows scheme.

If you choose not to go inside the actual gardens spend some time in Trentham's shopping outlet village with lots of designer and high street names that are well worth a look, or take a walk across to the extensive large garden centre also on the same site which has everything you could want for your Garden.
