

TWYXCROSS ZOO

FRIDAY 17TH APRIL

Take the kids for a day out to Twycross Zoo !

Close to the Leicestershire / Warwickshire border, Twycross is set over 80 Acres and has 100 different species of animals for you to see.

Famous for its Primate Centre, you will see lots of different Monkeys and Apes along with Gorillas, Orangutans and Chimpanzees. There are lots of other species including giraffes, snow leopards, penguins, meerkats, tapirs, kangaroos, snakes, flamingos and the world's rarest big cat, the Amur Leopard.

There's an indoor soft play area, outdoor play areas and a huge Wet & Wild water play area so depending on the weather you may want to bring a towel.

The Himalaya Centre is home to The View Restaurant where homemade, freshly prepared meals are served and there is also the Vine Café where you can pick up snacks and hot and cold drinks both overlooking the Himalayan-themed snow leopard enclosure. There are also several other eateries on site, including Twycross Fish Bar but if you prefer to take along your own lunch and snacks there are several open grassy areas and benches for picnics and also an indoor picnic area.

A great day out that the whole family will enjoy.
